

**CREST Water Pte Ltd**

100 Peck Seah Street, #08-14. PS100

Singapore 079333

P : +65 96311867

## PRODUCT SPECIFICATION

Product Name : CrestoGuard 462

**CRESTOGUARD 462**

Ref.: P-ESP-CV-911061

Rev.: 0 - Fecha: 05/10/2023

Distribuido por:

**Quimidroga, s.a.**

Tuset, 26 - 08006 BARCELONA

Telf. +34 93 236 36 36 \*

| Characteristics                        | Test Method  | Specification               |
|----------------------------------------|--------------|-----------------------------|
| Appearance                             | Visual       | Clear to pale yellow liquid |
| Specific Gravity at 25°C               | ISO 12185    | 1.19 – 1.24                 |
| Solid content (%w/w)                   | Karl Fischer | 44 – 48                     |
| pH at 25°C                             | ASTM E70     | 3.0 – 4.0                   |
| pH @ 1% at 25°C                        | ASTM E70     | 3.5 – 5.0                   |
| Viscosity at 25°C (mm <sup>2</sup> /s) | ISO 3104     | 400 max                     |
